Dear Frank,

On the occasion of your retirement, I would like to take the opportunity to convey to you the thanks and appreciation of all the FBIS officers with whom you have worked and my personal gratitude for the fine job you have performed over the years. You served with honor and distinction in your early U.S. Government service and since 1979 you have performed your duties with FBIS in an equally laudatory and professional manner. Your service as bureau engineer at FBIS bureaus in Abidjan, Ivory Coast, in London, England, in Vienna, Austria, and in Bangkok, Thailand is remembered well by all those with whom you have served.

Throughout a long and highly proficient career you have demonstrated exceptional professional competence and personal dedication. You have served in hardship locations and shown a high personal dedication to duty that has brought credit to the offices for which you have worked.

All of your friends and colleagues in FBIS join me in wishing you and Hannah the very best. Warm regards and best wishes for the future.

Sincerely,
